

Father Thomas's New Years Message

As we begin a New Year, I pray that all of us will be built up in a spirit of Joy and Hope. In 2020 we had lots of sufferings from the pandemic. But even amidst of this pandemic, our loving God protected us in a wonderful way. Let us thank God for His numerous blessings in 2020.

We enter in to the New Year not alone but with Jesus Mary and Joseph. As you know, Pope Francis dedicated this year to St. Joseph. Let us seek his companionship always. Let us ask his special protection in 2021 and ask him to protect us as he protected and looked after child Jesus and Mary.

May the holy spirit always guide your paths. May the almighty God bless you through out the New Year with health, wealth, and happiness. It is said, new year is like starting a new chapter in your life. It's your chance to write an incredible story for yourself. Make sure that Jesus is always in your lives. Remember with Jesus I am hero, without Jesus I am Zero.

All the blessings in New year.

Thank you very much for your dedicated services to our parish in 2020. Looking forward to work with you in 2021. Thanks for the Christmas and new year greetings.

God bless all.

Fr. Thomas Mutavanattu
