

## *Interdenominational Worship Services 2022/23*

**A small group of parishioners from Christ the Redeemer Church lead interdenominational worship services at several of the care homes in our community throughout the year. These services are held on Friday afternoons about once every month. Val Choo-Foo plans and leads these services, and she is very appreciative of those who will join her and help with reading prayers, scriptures, and singing. If you are interested in joining this group or continuing with this group, please contact Val at (306)741-8550 by the beginning of September. The first service will be held on Friday, September 9. God bless you for giving your time, talent and treasures!**
