

One of the ways we can develop our faith is with content on formed.org. Please consider helping with our parish's subscription which is coming up soon for renewal. A personal subscription is about \$200 but our parish subscription is made free to all parishioners with our renewal. Please consider making a small donation towards it. Donation envelopes are in the south foyer. Many very good and possibly life changing programs can be found on Formed, with solid Catholic teachings.

Another way is by attending a Faith Study morning or evening session Wednesday at 10am or 7pm featuring Dr. Scott Hahn and "The Eucharist in Scripture" lesson 5- Consuming The Word videos! This week we are privy to an animated exchange between Dr. Hahn and a former Catholic schoolmate about the Catholic Mass. This discussion brings out the idea of sacrifice in Scripture as well as the concept of the "New Testament"!

Please mark your calendar for our Advent Parish Mission happening Wednesday November 27th at 7 pm and Thursday November 28th beginning with Mass at 7pm. Kevin Philip is an engaging missionary disciple and public speaker.
