

## **About the Service**

We want to invite you to be a part of this interdenominational worship service as we seek as a Swift Current Church to be a part of and shape the dialogue regarding reconciliation. We believe Jesus has entrusted us with the message and ministry of reconciliation and to be ambassadors of Christ (2 Corinthians 5: 18 – 20). Participating in a worship service like this is a small but important step as we seek to listen, understand, and respond as Christ would at this time in our country.
